W. W. GRIGGS

Superintendent Sunday School, Belmont Baptist Church
Roanoke, Va.

ATTENTION, PLEASE

The publication of this church directory was made possible by the liberal advertisers whose inviting advertisements appear in this annual. I hope that the members will show their appreciation for the kindness of the advertisers, by giving them your liberal patronage. In behalf of the church I wish to thank each and every firm for their kindness in helping Belmont Baptist Church.

Most sincerely yours,

I. T. JACOBS, Pastor.

THE PASTOR'S GREETINGS

To the members of Belmont Baptist Church:

I have been your pastor now for a little over eighteen months. They have been months mingled with sunshine and shadow, with anxiety and joy; the Lord has wonderfully blessed us; there has been progress along every line.

I fully appreciate the kind way you folks have received us, and the way you are standing by the work of this splendid church. There seems to be a great outlook in the future. Let me urge that you, like brave men and women, rise up and lay hold upon the great opportunities which God seems to be placing at your very door. Let me urge that you all seek to keep your 75 Million Campaign up to date. Much depends upon our paying every cent. I am confident you are too true and loyal to fail in this great hour.

May I suggest, and that is all you need, that you keep alert to the spirit of progress now at work in our church. We are where the signboards point to higher and better things. Come, let us go over and possess the land in the name of the Lord.

My personal prayer on your behalf is, that every member be busy for the Lord—be at work at something, somewhere. How happy must be that pastor who has a busy church. Find your field and toil for Jesus' sake.

In closing, I want to express my heartfelt appreciation for the noble way in which you have helped me in my work in the past, and I pray you will try your best to exceed the past in the future. You are a loyal band and a pastor's friend.

May God shower upon each and every one of you His richest blessings, and give you a double portion of His Spirit to guide you all in the coming years.

Your pastor,

I. T. JACOBS.

HISTORICAL SKETCH

The Belmont Baptist Church of Roanoke, Va., was organized Oct. 20th, 1901, with 26 charter members, and the Rev. E. L. Richardson as their pastor. The following are the names of these charter members:

Mrs. Blanch Allison	Miss Cammie Peters
Mrs. W. H. Burt	Mrs. B. B. Winfree
Mrs. Lena Cramer	Mrs. P. A. Webb
Mrs. Nettie D. Ervin	Mrs. Jennie Willis
Mrs. Alva M. Fisher	W. H. Burt
Mrs. C. E. Huff	C. A. Allison
Miss Rebecca J. Garvan	C. E. Huff
Mrs. B. B. Kirby	B. B. Irby
Miss Mattie Moorman	Mrs. L. Hyans
Mrs. W. A. Martin	W. A. Martin
Miss Maud Mitchell	J. R. Nowlin
Miss Lelia Martin	C. S. Ribble
Miss Lelia Neff	J. Steel

Eighteen ladies and eight men.

Under the pastoral care of Brother Richardson, the church membership grew from 26 to 118. He was pastor for a little over two years.

Then the church called to its pastorate the Rev. P. H. Chelf, and he began his work February 17th, 1904, and for over five years he led the church in a noble way to larger things. During his pastorate the membership increased to 481. It was in August, 1909, that Brother Chelf resigned to become the Field Secretary of the Baptist Orphanage of Salem.

Rev. E. C. Davis was called to be the pastor of the church, and began his work October 6th, 1909. His pastorate lasted for a little over two years. During this time the present Sunday School room was built. Brother Davis left to become the pastor of Singers Glenn church January 11th, 1912.

Then the church called the Rev. H. T. Stevens, who was at that time a pastor in Danville, Va. He entered upon his work January 28th, 1912. Under his leadership the church grew very rapidly, the membership increasing to 1,350, with over 1,000 in Sunday School. It was during the pastorate of Brother Stevens that the present church edifice was built and dedicated April 11th, 1915. Also the General Association met with the Belmont Baptist Church, and the parsonage was moved across the street. On December 24th, 1917, he resigned to take up work in Knoxville, Tenn.

The church then called the Rev. A. B. Brooks of Coeburn, Va., to become its pastor, and he began his work March 3d, 1918, and was pastor until March, 1920, or for two years. It was during his pastorate that the church employed an assistant pastor, the Rev. J. W. Johnston, and a financial secretary.

Rev. I. T. Jacobs, of Newport News, Va., was called to the pastorate and he began his work June 15th, 1920. During the 18 months of his pastorate there have been 307 additions to the church, and 177 of these have been by baptism. The present enrollment in the church is 1,508, and in the Sunday School 980. All indebtedness on the church has been paid off. There is a spirit of progress on every hand.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Savior, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Ghost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this Church, in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings; faithful in our engagements, and exemplary in our deportment, to avoid all tattling, backbiting and excessive anger; to abstain from the sale of and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the kingdom of our Savior.

We further engage to watch over one another in brotherly love; to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Savior to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of the covenant and the principles of God's word.

The Value of Business College Training

Reprinted by permission from
NAPOLEON HILL'S MAGAZINE

THERE is one American institution whose loyalty has never been questioned, and whose usefulness none can dispute.

It is the modern Business College!

Here is one meeting ground where all rub elbows on exactly the same basis; where no distinction is made on account of race or religion. Jew and Gentile, Catholic and Protestant, all meet on exactly the same terms.

Here is one place where young men and young women give more thought to education than they do to fine clothes and think more of earning and less of spending.

The fifteen hundred business colleges of America graduate approximately 500,000 young men and women annually. Just think what these schools of practical Democracy are doing to leaven the spirit of discontent among the races and creeds.

Five hundred thousand boys and girls, representing every race and every religion, meeting on equal basis, all with one object in view—that of preparing themselves to render useful service, plays no small part in balancing the scales of human equation and wiping out the common causes of misunderstanding between mankind.

A business college training is an essential part of a well-balanced education, no matter what one aims to follow in life, because it gives the boy or girl a well-balanced sense of economies and eradicates whatever tendency there may be toward snobbishness or belief that one person is made of better clay than another.

—Napoleon Hill.

National Business College ROANOKE, VA.

The chief difference between a course at the National Business College and a course at high school or a university is that in the "NATIONAL" PRACTICAL Commercial subjects take the place of the SCIENCES AND FOREIGN LANGUAGES.

RULES FOR KILLING A CHURCH

J. U. R. Wolf

Don't come. Ps. 42: 4.

If you do come, come late. Ps. 84: 10.

If too wet or too dry, too hot or too cold, don't think of coming. Ps. 122, 1.

Don't imagine the front seats are intended for you; people might think you conceited.

Come bound to find fault. Ps. 100: 4.

Don't for the world ever think of praying for your pastor or the church. II Thes. 3: 1.

Don't sing. I Cor. 14, 15.

Don't attend prayer meeting, and if you should don't take part. Acts 3: 1.

Don't encourage the pastor, but tell his faults to others. Gal. 6: 1. If his sermon helps you don't let him know it; it might make him vain.

If you see a stranger in the audience don't offer to shake hands or invite him to come again; people might think you bold. Heb. 13: 2.

Let the pastor do all the work. Isa. 41: 6-7.

See that his salary is always behind. I Cor. 9: 14.

If he doesn't visit as often as you think he should, treat him coolly. He has nothing particular to do and could come oftener.

Never speak to another about Christ; your pastor should do all that kind of work. Jas. 5: 20. Dan. 12: 3.

MILWARDS of New York

OVERHEARD!

A customer was overheard to say: "I just LOVE Milward's!"

What a wealth of "Good Will" there is in this casual remark.

There is nothing so gratifying as the good will of our customers.

It proves they are both satisfied and gratified at the values they receive here.

Built on Value—Growing on Value

VALUE, whenever you come. One great advantage of Milwards giving, is that you can always come to Milwards assured of value, whether or not you see advertised the thing you want, for Milwards values are not for inconvenient hours or time, but rather for all the people all the time.

Insist on your views being adopted on all questions brought up before the church, and don't give in for the majority. Matt. 23: 12.

When sick don't send your pastor word; he is supposed to find out himself. But tell all the neighbors how he neglected you during your illness. John 11: 33.

If you think everything is working harmoniously try to stir up something to engender strife. Jas. 3: 14-16.

WHO KILLED THE PLAN?

Who killed the plan?
"I," said the Critic,
"I knew where to hit it,
I killed the plan."

Who killed the plan?
"I," said the Sloth,
"I lagged and was loth,
And I killed the plan."

Who killed the plan?
"I," said Ambition,
"With my selfish vision
I killed the plan."

Who killed the plan?
"I," said the Crank,
"With my nonsense rank,
I killed the plan."

Entrance to Evergreen Burial Park

NATURE was good in surrounding Evergreen Burial Park with her various beauties. Situated on gently sloping ground, artistically plotted by landscape architects, and perfectly drained, are found carefully tended lawns and well-kept driveways. One is immediately impressed with its beauty and permanency. Thoroughness marks every improvement.

We can not unduly emphasize the wisdom of selecting a family burial lot where there is absolute assurance of permanent care, and the selection should be made in advance of actual need, when the mind is free to employ its best judgment. Deferring this important duty often results in the necessity of a hasty decision, thus transforming a simple business transaction into a trying ordeal. Every family must select a burial lot at some period in life, and it is much more rational to anticipate the inevitable by making a decision before necessity compels it. The time to purchase a family burial lot is while the family is united, when calm deliberation and sound discernment may control the selection.

Some, we find, are very desirous of attending to this matter without delay, but hesitate for reason of an erroneous belief that their funds are inadequate to meet this obligation. If this is your reason, let us point out the convenience of our divided payment plan, which is adjustable to your means, as liberal as \$5.00 down and \$5.00 per month, if desired.

Another reason presents itself for making a selection at this time—to immediate purchasers we are offering choice locations at a big saving in price, based on present values, and proposed improvements will materially increase the value of lots, which necessarily means a corresponding increase in prices.

Phone us, or call at our office and our representative will show you Evergreen and explain its many advantages, without placing you under any obligations.

Cheerfulness

Cheerfulness is a great blessing. It not only brightens our own lives, but it is a shining torch to those with whom we associate. Is that not true? Have you not felt gloom and discouragement lift its depression from your soul when you were in the presence of a happy, cheerful person?

Cheerfulness brightens the home. It is the real essence of Christianity. Who can remain grouchy or cross and ill tempered long in the presence of a smiling, happy person?

Keep smiling. Like begets like, and if you send out happy thoughts and smiles they will come back to you in kind, just as harsh words and abuse are hurled back at you when you "bawl out" another.

You have seen people whom it seemed their very nature to be smiling and cheerful, and others whose nature seemed to be cross and nervous and fretful—always seemed to be looking for an opportunity to scold or find fault, but did you ever seek the cause?

Naturally some people are endowed with a happier nature and a greater will power than others, so that they adapt themselves to circumstances and their environment more easily than others, but the great cause of most unhappiness is ill health.

Chiropractic is a great boon to mankind because it adjusts the cause of nervousness and disease and enables nature to express herself in a normal way, and health is the result.

If you are not as cheerful and as happy as you should be, ask yourself if it is not because you feel badly much of the time. And then investigate this great science, because—

"CHIROPRACTIC GETS YOU WELL."

About Our STORE NEWS

Why should you watch the Gilmer Advertising?

Why does a manufacturer watch his trade papers?

Why do brokers study the market reports?

To get information and advantages in their business.

And why should a woman read the advertisements regularly?

To get information and secure advantages in HER business, which is to buy for herself and her family most economically and well.

Gilmer's will serve you well under any circumstances, but best if you watch the Store News and turn to advantage those offerings that suit your need. More than one woman has figured out a saving of 10 to 25 per cent on the year's expenses just by keeping tab on the sales or special offerings here and getting her share of the goods.

The next two months, according to tradition, should be "dull," but the values and sales we planned for January and February long ago upset this tradition.

The news of these sales will be published from day to day, and it is the part of wisdom not to miss them.
